AUTHORIZATION

I authorize DMR Investments LLC, dba Desert Masters Realty & Property Management, to deposit my owner distributions into the account above by ACH, and, if a deposit is made in error, to make an ACH debit to correct it. This authorization remains in effect until I notify Desert Masters in writing and Desert Masters has had a reasonable time to act on it.

For your protection: before any banking change takes effect, Desert Masters will contact you using the email address and phone number we already have on file to confirm you requested it. We will never ask you to send banking details by text message.
